**Attention new Cadets and parents:** Drill this weekend (28/29 Jan) will be for all hands. New members will begin in-processing and indoctrination training this weekend. Your presence this weekend is very important. You should wear clean and ironed pants (preferably tan or black) and a clean t-shirt or open collar shirt. If you know your clothing sizes bring them with you as this will speed up the process.

All Hands who have **dress blues** will wear blues **for the first Saturday morning formation** and inspection.

**BRING YOUR SEA BAG WITH ALL ISSUED EQUIPMENT.** We maybe updating individual supply records so you must bring your entire issue of uniforms. You will sign for your issued property after it is inspected for serviceability and accountability.

**Note:** Due to time-related issues, the Navy asked that we pay for meals one month in advance so in January forty dollars will be collected for lunch (to cover Jan and Feb); this will begin a process of advanced payments. In February we will collect (\$20.00) for March, from that point forward we will be one month in advance if you know you will not be present you must let us know the month before hand we will not be able to get the money back from the Navy.
